Accounting Career Education ACE TSCPA would like to thank all of the volunteers who helped out with TSCPA's Accounting Careers Education (ACE) program for the 2016-17 year. ACE volunteer members donated their time to travel to schools across the state and deliver presentations to students, host workshops and seminars for teachers and counselors, and provide speakers to university and college business and accounting programs. Thank you again for volunteering and promoting TSCPA and the CPA profession.

It's never too early to start preparing our ACE program for 2017-2018. School solicitations will begin in the fall.

Financial Literacy

Between tornadoes and hurricanes (and sometimes both), all parts of Texas are vulnerable to storm damage. Put your financial disaster plan in place before it's time to batten down the hatch. Follow the links below for more information.

Protecting Your Investment

- Thanks to TSCPA CPA-PAC donors, you don't have to list your license number on your business cards.
- Thanks to PAC donors, you don't have to get a law license to give tax advice.
- Thanks to PAC donors, there is no sales tax on accounting services.

All TSCPA members benefit from the hard work and financial support of PAC donors; their contributions are what keep the wolves at bay.

If you haven't given to the PAC, won't you thank those who have?

Or better yet, please [give to the PAC yourself](#).
